General Purpose Workwear Coats &ndash; EN531

Specification sheet: Gents Coat - 55429 - 08 (69.15 kB) ([Download](#)) Fabrics Options: [List of available fabrics \(Download\)](#)

This is a standard coat design and is used in all facets of industry. Describes as a knee length coat, at 100cms in length, it extends to just below the knee.

The example garment specification sheet shown above is just one of a variety of styles created from our standard design template. Customers can request any design/variation they wish, and we are happy to draft a design specification, or to recommend a particular design suitable for a particular 'end-use'
