General Purpose Workwear Jacket – EN531 Specification Sheet: [Jackets - Standard Specification sheet \(Download\)](#)
Fabrics Options: [List of available fabrics \(Download\)](#)

This is a standard work jacket and is usually worn with matching trousers.

The example garment specification sheet shown above is just one of a variety of styles created from our standard design template. Customers can request any design/variation they wish, and we are happy to draft a design specification, or to recommend a particular design suitable for a particular 'end-use'
