General Purpose Workwear Trouser – EN531

Specification sheet: GentsTrousers - 77241 - 0 (72.33 kB) (Download)

Fabrics Options: [List of available fabrics](#)

This is a standard work trouser usually worn in conjunction with a jacket.

The example garment specification sheet shown above is just one of a variety of styles created from our standard design template. Customers can request any design/variation they wish, and we are happy to draft a design specification, or to recommend a particular design suitable for a particular 'end-use'
